Individual Pilot Scripts

The 30-minute Individual Desk Coordinate Phase, one script per pilot persona

St. Mary's Cathedral Council 15295

How to use this packet: work through each step in order. Tick the box when the step is done and the result matches. Write anything surprising in the Notes field under the step. The fields can be filled in on screen in any PDF reader, or on paper.

Pilot logins (the password is on the facilitator's board)

Persona	Login	Seat
Grand Knight	gk_user@stmarys.org	Grand Knight (GK User)
Financial Secretary	fs_user@stmarys.org	Financial Secretary (FS User)
Treasurer	treasurer_user@stmarys.org	Treasurer (Treasurer User)
Deputy Grand Knight	dgk_user@stmarys.org	Deputy Grand Knight (DGK User)
Council Historian	historian_user@stmarys.org	Council Historian (Historian User)
Member Alpha	member_alpha@stmarys.org	Member (Member Alpha)
Member Beta	member_beta@stmarys.org	Member (Member Beta)

The 60-minute session

Clock	Minutes	Phase
0:00 - 0:30	30	Individual Desk Coordinate Phase: every persona signs in and works his own script (INDIVIDUAL_PILOT_SCRIPTS.pdf) through his Active Desk folders; no step waits for another persona
0:30 - 1:00	30	Synchronized Group Workflow: the six live flows of GROUP_CROSS_DESK_SCRIPT.pdf, played together on the wireless display, ending with the parish settlement
	60	**Total**

The pilot data: the Parish Parking Event (October 10-31, 2026, six Lot attendants shifts, $400.00 collected the first weekend), expense reports 14-23 waiting on the officers' desks, charity requests on the vetting board, three prayer intentions and two volunteer time entries held for review. Reloading the web portal restores it in the browser; on a phone, clear the app's data or reinstall it. Both phases run on the same load: the group flows create their own records.

Compiled 2026-10-12.

Grand Knight · gk_user@stmarys.org

Day in the Life of the Grand Knight

It is the week after the first weekend of the Parish Parking Event. The Grand Knight gives the final release on expense reports before the council pays them, keeps watch over the charity requests in vetting, and checks a point of order before the October meeting. Everything he needs is a folder at the top of the Grand Knight Desk; he never leaves the Active Desks row.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as gk_user@stmarys.org with the pilot password on the facilitator's board.

Expected result: The Active Desks row opens on Home. Its tabs include Grand Knight Desk and Oversight Desk.

NOTES

☐ **Step 2.** Go to: **Active Desks > Grand Knight Desk**

Read the Approved Expense Release queue.

Expected result: Reports 19 (Historian User, Aaron Brothers, $89.99) and 23 (Member Alpha, Fred Meyer, $41.85) carry the payment request and the Treasurer's coding.

NOTES

☐ **Step 3.** Go to: **Active Desks > Grand Knight Desk > Open the Grand Knight Authorization Desk**

Click Final Release for Payment on report 19.

Expected result: The row reads "Released to the Treasurer". Report 19 is Approved and waits for the Treasurer's check.

NOTES

☐ **Step 4.** Go to: **Active Desks > Grand Knight Desk > Charitable Grant Requests Vetting Board**

Click the folder to open it and read the Triage queue.

Expected result: Seven requests: four Submitted (including Northeast Portland Senior Meals and Cathedral Coat Closet), two Claimed by Trustee and one Advanced. Fold it away again.

NOTES

☐ **Step 5.** Go to: **Active Desks > Grand Knight Desk > Constitutional Advisor Panels**

Open the folder, type "How much notice does a motion need?" and click Ask.

Expected result: The answer names its Source Authority. Fold the folder away.

NOTES

☐ **Step 6.** Go to: **Active Desks > Grand Knight Desk > Connected Councils**

Open the folder and read the nearby councils.

Expected result: St. Anthony Council is an active affiliate; Holy Redeemer's invite waits for your answer under Affiliation Invites.

NOTES

☐ **Step 7.** Go to: **Active Desks > Home**

Read the ■ Community Prayer Request List card and tap [■ Praying Hands] on Member Beta's intention.

Expected result: The card lists five open intentions. The count on Beta's intention goes up by one and the button greys out for today.

NOTES

Financial Secretary · fs_user@stmarys.org

Day in the Life of the Financial Secretary

Monday evening after the parking weekend. New expense reports came in with the cones and the cash box, and two older September sheets are still waiting. The Financial Secretary checks each receipt and issues the payment request, the first of the three signatures. He also keeps the Trustees' audit, the charity checkbook and the parish's share of the fundraisers ready, each on his desk.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as fs_user@stmarys.org with the pilot password.

Expected result: The Active Desks row shows the Financial Secretary Desk tab.

NOTES

☐ **Step 2.** Go to: **Active Desks > Financial Secretary Desk**

Read the Payment-request queue.

Expected result: Reports 14 (Member Alpha, Home Depot, $84.97), 15 (Member Beta, Office Depot, $32.48), 20 (Member Alpha, Costco, $27.60) and 21 (Member Beta, Staples, $54.15) wait for the payment request.

NOTES

☐ **Step 3.** Go to: **Active Desks > Financial Secretary Desk > Open the Financial Secretary Audit Desk**

Click Verify & Sign Expense on report 14, then on report 20.

Expected result: Each row reads "Payment request issued" and moves to the Treasurer Desk.

NOTES

☐ **Step 4.** Go to: **Active Desks > Financial Secretary Desk > Open the auditing queue**

Find report 15. Type "Please add the receipt photo" in Reason for returning (required), then click Return to member.

Expected result: Report 15 goes back to Member Beta as a Draft with your reason. Its signatures are cleared.

NOTES

☐ **Step 5.** Go to: **Active Desks > Financial Secretary Desk > Semiannual Audit Form 1295 Center**

Open the folder and choose the July-December 2026 period.

Expected result: The Trustee Audit Desk opens in the folder with its five steps; step 5 offers the Form 1295 report as a DRAFT until the Trustees sign.

NOTES

☐ **Step 6.** Go to: **Active Desks > Financial Secretary Desk > Charity Check Issuance Console**

Open the folder and read Approved requests awaiting payment.

Expected result: The panel is empty until the council votes a grant at its Monthly meeting.

NOTES

☐ **Step 7.** Go to: **Active Desks > Financial Secretary Desk**

Find the ■ Church Disbursement Requests card.

Expected result: No request is waiting yet. The Treasurer's parish split request reaches this card in group Flow 6, where you pay it.

NOTES

Treasurer · treasurer_user@stmarys.org

Day in the Life of the Treasurer

The Treasurer keeps the council's books honest. Every report that carries the payment request comes to him to be charged to a line of the approved 2026-2027 budget and to a general ledger account. Before he codes anything he reviews the budget sheet line by line, so he knows which lines still have room. He writes the checks for released reports, and he works out the parish's share of each fundraiser. Nothing on his script waits for another officer.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as treasurer_user@stmarys.org with the pilot password.

Expected result: The Active Desks row shows the Treasurer Desk tab.

NOTES

☐ **Step 2.** Go to: **Active Desks > Treasurer Desk > Annual Budget vs Actuals Ledger Grid**

Open the folder. Read Budgeted vs. Current Actual Spend for each concluded event and meeting.

Expected result: Each row shows its budgeted amount, the actual spend and the variance for fraternal year 2026-2027.

NOTES

☐ **Step 3.** Go to: **Active Desks > Treasurer Desk > Annual Budget vs Actuals Ledger Grid**

In the ■ Budget Allocation & YOY Variance Analyzer, find Miscellaneous Others and Monthly Council Meetings. Write the room left on each line in Notes.

Expected result: The analyzer lists each approved line against 2025-2026, with the total against the spending ceiling. Fold the folder away.

NOTES

☐ **Step 4.** Go to: **Active Desks > Treasurer Desk**

Read the Ledger Line Coder queue.

Expected result: Reports 17 (Member Alpha, FedEx Office, $118.50), 18 (Member Beta, Safeway, $54.75) and 22 (Historian User, Walgreens, $63.40) carry FS User's payment request.

NOTES

☐ **Step 5.** Go to: **Active Desks > Treasurer Desk > Open the Treasurer Ledger Audit Desk**

On report 17 choose Miscellaneous Others in Assign Ledger Budget Line Item and Event Operational Costs in Assign General Ledger Account, then click Categorize & Lock Expense. Code report 18 to Monthly Council Meetings and Council Operational Costs the same way.

Expected result: Both rows read "Coded to the ledger" and move to the Grand Knight Desk.

NOTES

☐ **Step 6.** Go to: **Active Desks > Treasurer Desk > Bank Statement Match-Window**

Open the folder and choose any bank statement CSV the facilitator gives you. Click Run electronic audit.

Expected result: The window reports how many statement rows matched the ledger and lists the unmatched ones.

NOTES

☐ **Step 7.** Go to: **Active Desks > Treasurer Desk > Open the Payments Made desk (Bulk Check Payments Made)**

Report 16 (Historian User, Michaels, $46.20) is already in the queue: the Grand Knight released it on October 8. Select it, type check number 1201 and click Record Payment Made by Check.

Expected result: Report 16 is Reimbursed and check 1201 appears in the payments-made history. You did not wait for anyone.

NOTES

Chapter 2 - The Parish Revenue Split Console

The parking lot belongs to the cathedral, so the parish receives a share of what the Parish Parking Event collects. The share is a council setting: a percentage and the general ledger line it is charged to. You switch the split on, check the arithmetic, and send the parish's share to the Financial Secretary as a Church Disbursement Request.

☐ **Step 8.** Go to: **Active Desks > Treasurer Desk > Parish Fundraiser Revenue Split Console**

Read the ■ Parish Fundraiser Revenue Split Console card at the foot of the desk.

Expected result: The card says the parish split is off. The Parish Parking Event row shows Collections $400.00 (the first weekend's cash box and Venmo gifts).

NOTES

☐ **Step 9.** Go to: **Active Desks > Treasurer Desk > Parish Fundraiser Revenue Split Console > Switch it on in Council Wide Settings**

Click the link. On the Parish Fundraiser Split card, switch the split on. Do not choose a line yet: read the red message. Then type 50 in Parish share (%), choose Parish Fundraiser Share in General ledger line for the parish share, and click Save parish split.

Expected result: With no line, the card shows "Choose the general ledger line ..." and Save parish split stays greyed out. After you choose the line, it saves: "Saved for council 15295. The split is on."

NOTES

☐ **Step 10.** Go to: **Active Desks > Treasurer Desk > Parish Fundraiser Revenue Split Console**

Go back to the Treasurer Desk. Read the Parish Parking Event row and write the calculation in Notes: Collections x Parish share = the parish's share.

Expected result: The card names Parish Fundraiser Share at 50%. Collections $400.00, Parish share $200.00 ($400.00 x 50%), Already requested $0.00, To request $200.00.

NOTES

☐ **Step 11.** Go to: **Active Desks > Treasurer Desk > Parish Fundraiser Revenue Split Console**

Click [■ Issue Church Disbursement Request] on the Parish Parking Event row.

Expected result: A notice reads "Church Disbursement Request #1 for $200.00 is on the Financial Secretary Desk." The row now shows Already requested $200.00 and To request $0.00, and the request is listed as Pending.

NOTES

Deputy Grand Knight · dgk_user@stmarys.org

Day in the Life of the Deputy Grand Knight

The Deputy Grand Knight holds every grant of the Grand Knight's seat and looks after the council's service-hour record. Two entries were held for leadership review because they crossed the council's limits. He talks with each brother before he decides, because a cleared entry counts toward every total and a rejected one never does.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as dgk_user@stmarys.org with the pilot password.

Expected result: The Active Desks row shows the Grand Knight Desk and the Oversight Desk.

NOTES

☐ **Step 2.** Go to: **Active Desks > Oversight Desk**

Find the Flagged Hours Review Desk and read both entries.

Expected result: Member Alpha: 6.5 hours on Parish Parking Event - Lot attendants - Saturday, note "Stayed to restripe the overflow lot". Member Beta: 6 hours of Ushering, note "Ushered all three Sunday Masses".

NOTES

☐ **Step 3.** Go to: **Active Desks > Oversight Desk**

On Member Beta's entry click Approve & Add to Time Log.

Expected result: The entry leaves the desk. Beta's 6 hours now count in the Council Dashboard and on the Executive Dashboard.

NOTES

☐ **Step 4.** Go to: **Active Desks > Oversight Desk**

On Member Alpha's entry click Reject & Remove. Tell Alpha to report the 4 scheduled hours again.

Expected result: The entry leaves the desk and its hours never count. Alpha can log the Saturday shift again from the phone Report tab.

NOTES

☐ **Step 5.** Go to: **Active Desks > Grand Knight Desk > Charitable Grant Requests Vetting Board**

Open the folder and read the pooled requests. Do not claim one in this phase.

Expected result: The Deputy Grand Knight sees the same board as the Grand Knight and may claim requests.

NOTES

Council Historian · historian_user@stmarys.org

Day in the Life of the Council Historian

The Council Historian is appointed by the Grand Knight to keep the council's annals. He files the parking weekend's photos into the Drive media vault, writes the month's bulletin, and files his own expense reports for history supplies like any other brother.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as historian_user@stmarys.org with the pilot password.

Expected result: The Active Desks row shows the Historian Desk tab.

NOTES

☐ **Step 2.** Go to: **Active Desks > Historian Desk > Google Drive Media Gallery Sync Board**

Open the folder. Under Upload Photos choose Past event and the Parish Parking Event, add one photo and upload it.

Expected result: The photo appears in the gallery mosaic under the Parish Parking Event.

NOTES

☐ **Step 3.** Go to: **Active Desks > Historian Desk > Google Drive Media Gallery Sync Board**

Under Find photos pick the Parish Parking Event, then save the selection as a Smart Album named "Parking 2026".

Expected result: The album is listed under Smart Albums. Fold the folder away.

NOTES

☐ **Step 4.** Go to: **Active Desks > Historian Desk**

Under the Digital Fraternal Annals Scrapbook, write two sentences about the first parking weekend as this month's bulletin and save it.

Expected result: The bulletin is saved for October 2026.

NOTES

☐ **Step 5.** Go to: **Active Desks > Member Desk**

Read the status of reports 16, 19 and 22.

Expected result: Report 16 is Approved: all three officers signed it and it waits for the Treasurer's check. 19 waits for the Grand Knight's release; 22 waits for the Treasurer's coding.

NOTES

Member Alpha · member_alpha@stmarys.org

Day in the Life of the Member Alpha

Member Alpha volunteers as a lot attendant on the parking weekends. Before the first car arrives he sets up his phone by hand, exactly as he would at the gate: nothing on the Donate tab is chosen or typed for him. Cars pay the $25.00 parking rate by Venmo or in cash, and at the end of the shift he records the cash box as one consolidated drop. When the lot closes he concludes the session on his phone, which locks the logs so the Treasurer can count the cash box against them.

Device: Phone app, then laptop

☐ **Step 1.** Go to: **Phone app sign-in screen**

Sign in as member_alpha@stmarys.org with the pilot password.

Expected result: The tab bar shows Home, Mtgs, Signup, Report and Donate.

NOTES

☐ **Step 2.** Go to: **Phone > Report tab**

Under Which shift? choose Lot attendants - Sunday (October 11). Under How long? enter 4 hours. Tap Save time.

Expected result: A message confirms the hours were saved to Lot attendants - Sunday.

NOTES

☐ **Step 3.** Go to: **Phone > Donate tab > Start accepting for an event**

This card is your on-device configuration drawer. Nothing is pre-selected. Choose the Parish Parking Event in EVENT and Parking in DONATION TYPE yourself, type 25.00 in STANDARD RATE (OPTIONAL), and tap Start.

Expected result: The ACCEPTING DONATIONS card shows the event and "Session setup: $25.00 · Parking".

NOTES

☐ **Step 4.** Go to: **Phone > Donate tab**

Under How is the donor giving? tap the Venmo tile yourself. Let the "donor" scan the full-screen code, then close it. The AMOUNT box is empty: type 25.00 by hand and tap Record donation.

Expected result: A message reads "Recorded $25.00 by Venmo for Parish Parking Event". Nothing was filled in for you.

NOTES

☐ **Step 5.** Go to: **Web > Active Desks > Member Desk > Open my expenses**

Sign in on the laptop. Click New expense report, link it to the Parish Parking Event, add a line (Dollar Tree, $12.00, chalk for lot lane markings) and submit it.

Expected result: The new report is Submitted and appears on the Financial Secretary Desk.

NOTES

☐ **Step 6.** Go to: **Phone > Donate tab**

The cash box drop. Count the cash box (use $180.00 for the pilot). Tap the Cash tile, type 180.00 in AMOUNT, type "Cash box drop - Saturday lot" in DESCRIPTION, and tap Record donation.

Expected result: One consolidated $180.00 cash donation is recorded for the event. The ACCEPTING DONATIONS card is still open.

NOTES

☐ **Step 7.** Go to: **Phone > Donate tab > [■ Conclude Event Session & Lock Logs]**

Final step - close the gate. On the ACCEPTING DONATIONS card tap [■ Conclude Event Session & Lock Logs]. Read the warning, then tap Yes, conclude & lock.

Expected result: A message reads "Parish Parking Event is concluded and its logs are locked. The Treasurer can now count the cash box." The phone leaves the intake session, the event is no longer offered under Start accepting for an event, and nobody can add or change a donation for it. The collection is now ready for the Treasurer's cash box audit.

NOTES

Member Beta · member_beta@stmarys.org · LARGE PRINT

Day in the Life of the Member Beta

Member Beta is a senior brother whose eyesight is fading. His profile opens the phone in the large text layout, and this handout is printed in large type. He works the parking shifts, ushers at Mass, and keeps an eye on his own cash-box report. He sets up his phone by hand like everyone else.

Device: Phone app (large text layout), then laptop

☐ **Step 1.** Go to: **Phone app sign-in screen**

Sign in as member_beta@stmarys.org with the pilot password.

Expected result: The phone opens in the large text layout: big type and big buttons.

NOTES

☐ **Step 2.** Go to: **Phone > Report tab**

Under Which shift? choose Lot attendants - Saturday (October 10). Under How long? enter 4 hours. Tap Save time.

Expected result: A message confirms the hours were saved.

NOTES

☐ **Step 3.** Go to: **Phone > Donate tab > Start accepting for an event**

Choose the Parish Parking Event in EVENT and Parking in DONATION TYPE yourself. Type 25.00 in STANDARD RATE (OPTIONAL). Tap Start.

Expected result: The ACCEPTING DONATIONS card shows the event and "Session setup: $25.00 · Parking".

NOTES

☐ **Step 4.** Go to: **Phone > Donate tab**

Tap the Venmo tile yourself, close the code after the scan, type 25.00 in AMOUNT and tap Record donation.

Expected result: The $25.00 Venmo donation appears under Recorded for this event.

NOTES

☐ **Step 5.** Go to: **Web > Active Desks > Member Desk > Open my expenses**

Sign in on the laptop. Open report 15 (Office Depot, $32.48) and read its status.

Expected result: Report 15 is Submitted and waits for the Financial Secretary's payment request.

NOTES

☐ **Step 6.** Go to: **Web > Active Desks > Home**

Find your own intention on the ■ Community Prayer Request List card.

Expected result: Your intention for your eyes is on the card with the number of brothers praying for it.

NOTES

Appendix - Attendee Feedback Questionnaire

Fill in this form on screen or on paper and hand it to the facilitator. Rate each statement from 1 (disagree) to 5 (agree).

NAME (OPTIONAL)		PERSONA PLAYED	
DATE		OFFICE IN YOUR COUNCIL	

	1	2	3	4	5
1. The steps were easy to follow.	○	○	○	○	○
2. The screens used words I understand.	○	○	○	○	○
3. I found every module in a folder on my Active Desk or on the phone tabs.	○	○	○	○	○
4. The expected results matched what I saw.	○	○	○	○	○
5. The approval steps match how our council handles money today.	○	○	○	○	○
6. I would use this platform for my office or my volunteering.	○	○	○	○	○

Which step was hardest, and why?

What did you expect to see that was missing?

Which words or labels were confusing?

What would stop your council from using the platform next month?

Anything else the team should know?
