The pilot data: the Parish Parking Event (October 10-31, 2026, six Lot attendants shifts), expense reports 14-19 waiting on the officers' desks, and two volunteer time entries held for review. Reloading the web portal restores it in the browser; on a phone, clear the app's data or reinstall it. Run the individual scripts and the group script on separate loads: both use the same reports.

Grand Knight · gk_user@stmarys.org

Day in the Life of the Grand Knight

It is the week after the first weekend of the Parish Parking Event. The Grand Knight presides at the October business meeting, gives the final release on expense reports before the council pays them, and keeps an eye on the fundraiser he owns. The Financial Secretary and the Treasurer have already signed and coded the Historian's report for the Past Grand Knights frames, so it waits for him alone.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as gk_user@stmarys.org with the pilot password on the facilitator's board.

Expected result: The sidebar opens with the seven pillars: Governance, Faith In Action, Finances, Performance, Resources, Answers and System Settings.

NOTES

☐ **Step 2.** Go to: **Finances > GK Expense Authorize**

Read the waiting report from Historian User: Aaron Brothers, $89.99, frames for the Past Grand Knights wall.

Expected result: Report 19 shows the Financial Secretary's written order and the Treasurer's coding (Miscellaneous Others, Council Operational Costs).

NOTES

☐ **Step 3.** Go to: **Finances > GK Expense Authorize**

Click Final Release for Payment on report 19.

Expected result: The row reads "Released to the Treasurer". The report is Approved and now waits in Bulk Check Disbursements.

NOTES

☐ **Step 4.** Go to: **Faith In Action > Event Planner**

Open the Parish Parking Event.

Expected result: Six Lot attendants shifts from October 10 to October 25; each shift has its 2 volunteers signed up (Member Alpha and Member Beta).

NOTES

☐ **Step 5.** Go to: **Performance > Executive Dashboard**

Scroll to the Volunteer Time Quarantine Desk. Do not decide the entries; the Deputy Grand Knight does that in his script.

Expected result: Two held entries: Member Alpha, 6.5 hours on a 4-hour parking shift, and Member Beta, 6 hours of Ushering.

NOTES

Financial Secretary · fs_user@stmarys.org

Day in the Life of the Financial Secretary

Monday evening after the parking weekend. Three new expense reports came in: cones and vests for the lot attendants, a cash box and receipt books, and archival sleeves for the council history. The Financial Secretary checks each receipt against the event and issues the written order, the first of the three signatures. A report without what the council needs goes back to the member with a reason.

Device: Laptop (web portal)

Sign in as fs_user@stmarys.org with the pilot password.

Expected result: The Finances pillar lists FS Expense Audit.

NOTES

☐ **Step 6.** Go to: **Finances > Donations History**

Filter or scroll to the Parish Parking Event.

Expected result: The check donations the member personas take at the gate appear here with their check numbers.

NOTES

Treasurer · treasurer_user@stmarys.org

Day in the Life of the Treasurer

The Treasurer keeps the council's books honest. Every report that carries the written order comes to him to be charged to a line of the approved 2026-2027 budget and to a general ledger account. After the Grand Knight's final release, he writes the check. The Collusion Guard stops him from coding a report he ordered himself.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as treasurer_user@stmarys.org with the pilot password.

Expected result: The Finances pillar lists Treasurer Ledger Audit Desk.

NOTES

☐ **Step 2.** Go to: **Finances > Treasurer Ledger Audit Desk**

Read the queue.

Expected result: Reports 17 (Member Alpha, FedEx Office yard signs, $118.50) and 18 (Member Beta, Safeway, $54.75) carry FS User's written order and wait for coding.

NOTES

☐ **Step 3.** Go to: **Finances > Treasurer Ledger Audit Desk**

On report 17 choose Miscellaneous Others in Assign Ledger Budget Line Item and Event Operational Costs in Assign General Ledger Account, then click Categorize & Lock Expense.

Expected result: The row reads "Coded to the ledger". Report 17 moves to GK Expense Authorize.

NOTES

On report 18 choose Monthly Council Meetings and Council Operational Costs, then click Categorize & Lock Expense.

Expected result: Report 18 moves to GK Expense Authorize.

NOTES

☐ **Step 5.** Go to: **Finances > Bulk Check Disbursements**

After the Grand Knight releases report 19, select it, type check number 1201 and click Issue Disbursement Check.

Expected result: Report 19 is Reimbursed and the check appears in the disbursement history.

NOTES

☐ **Step 6.** Go to: **Finances > General Ledger Spreadsheet**

Read the Council Operational Costs and Event Operational Costs accounts.

Expected result: The accounts list their postings; the chart of accounts matches the seeded 14 accounts plus Opening Balance Equity.

NOTES

Deputy Grand Knight · dgk_user@stmarys.org

Day in the Life of the Deputy Grand Knight

The Deputy Grand Knight looks after the council's service-hour record. Two entries were held for leadership review because they crossed the council's limits: a parking shift reported 2.5 hours over its scheduled length, and a long Sunday of ushering. He talks with each brother before he decides, because a cleared entry counts toward every total and a rejected one never does.

Device: Laptop (web portal)

☐ **Step 1.** Go to: **Web portal sign-in page**

Sign in as dgk_user@stmarys.org with the pilot password.

Expected result: The Performance pillar lists Executive Dashboard.

NOTES

☐ **Step 2.** Go to: **Performance > Executive Dashboard**

Scroll to the Volunteer Time Quarantine Desk and read both entries.

Expected result: Member Alpha: 6.5 hours on Parish Parking Event - Lot attendants - Saturday, note "Stayed to restripe the overflow lot". Member Beta: 6 hours of Ushering, note "Ushered all three Sunday Masses".

NOTES

☐ **Step 3.** Go to: **Performance > Executive Dashboard**

On Member Beta's entry click Approve & Add to Time Log.

Expected result: The entry leaves the desk. Beta's 6 hours now count in the Member Center and on the dashboard.

NOTES

☐ **Step 4.** Go to: **Performance > Executive Dashboard**

On Member Alpha's entry click Reject & Remove. Tell Alpha to report the 4 scheduled hours again.

Expected result: The entry leaves the desk and its hours never count. Alpha can log the Saturday shift again from the phone Report tab.

NOTES

☐ **Step 5.** Go to: **Finances > Charity Vetting Queue**

Read the pooled requests. Do not claim one in this script.

Expected result: The Deputy Grand Knight may claim requests and override another officer's claim.

NOTES

Council Historian · historian_user@stmarys.org

Day in the Life of the Council Historian

The Council Historian is appointed by the Grand Knight to keep the council's annals. He records what the council did this fraternal year, writes the day's diary entry about the parking fundraiser, and files his own expense reports for history supplies like any other brother.

- [ ] **Step 1.** Go to: **Web portal sign-in page**

  Sign in as historian_user@stmarys.org with the pilot password.

  NOTES

- [ ] **Step 2.** Go to: **Performance > Council History**

  NOTES

- [ ] **Step 3.** Go to: **Performance > Council History**

  Open the 2026-2027 year, edit Collective accomplishments to mention the Parish Parking Event, and click Save 2026-2027.

  Expected result: The year's annals show the new accomplishment.

  NOTES

- [ ] **Step 4.** Go to: **Finances > My Expense Reports**

  Read the status of reports 16 and 19.

  Expected result: Report 16 shows its next signature; report 19 shows the Grand Knight's release, and Reimbursed once the Treasurer pays it.

  NOTES

☐ **Step 5.** Go to: **Performance > Council History**

Try the oral history recorder for 10 seconds and stop it.

Expected result: The recording is listed for download. The recorder stops on its own at the platform limit.

NOTES

Day in the Life of the Member Alpha

Click New expense report, link it to the Parish Parking Event, add a line (Dollar Tree, $12.00, chalk for lot lane markings) and submit it.

Expected result: The new report is Submitted and appears on the Financial Secretary Audit Desk.

NOTES

Member Beta · member_beta@stmarys.org

Day in the Life of the Member Beta

Member Beta works the same parking shifts and ushers at Mass. This week the Financial Secretary returned his cash-box report because the receipt photo was missing, so he fixes it and sends it back. He also takes check donations at the gate and reports his Saturday shift.

Device: Phone app, then laptop

☐ **Step 1.** Go to: **Phone app sign-in screen**

Sign in as member_beta@stmarys.org with the pilot password.

Expected result: The tab bar shows Home, Mtgs, Signup, Report and Donate.

NOTES

☐ **Step 2.** Go to: **Phone > Report tab**

Expected result: Report 15 is a Draft with "Please add the receipt photo" from leadership.
