Charity Grant Lifecycle

Vetting > Presentation > Disbursement

1 Propose

Any member (the Knight Shepherd)

Finances > Propose Charity Grant

Bring the organization, the amount and the reason. The Shepherd follows the request on his 3-step tracking notice.

2 Claim and vet

An officer or Trustee - never the Shepherd

Finances > Charity Vetting Queue

Claim the request and check it. Request More Info opens a private thread with the Shepherd; Request Officer Input asks the officers.

3 Advance or decline

The vetting officer

Finances > Charity Vetting Queue

Advance it to the council vote, or decline it with a reason. A declined request stops here.

4 On the agenda

The vetting officer - the 10-day rule

Finances > Charity Vetting Queue

Place on next agenda puts it on the soonest Monthly meeting at least 10 days away, as a proposed motion.

5 Council vote

The members at the meeting

Governance > Live Meeting Console

Secret smartphone ballot, or the Recorder's hand tally. Decided Passed, Failed or Tabled.

6 Pay the grant

Financial Secretary or Treasurer - never the Shepherd

Finances > Charitable Disbursements Ledger

Pay approved request: one check for the approved amount, listed against the charity and charged to the budget line.

7 Follow up

The Trustees

Six months after filing

The Trustees are prompted for a status report on what the grant did.
